## AUDITION REQUIREMENTS

Brisbane Arts Theatre will be competing in the Drama Festival Circuit for 2024.

Two battling narrators attempt to cover the entirety of Greek mythology using audience participation, cross-dressing, and general theatrical insanity. Famous myths such as Pandora's Box, Jason and the Argonauts (the original Super Friends), and Hercules: Intern God jostle for space with obscure, weird myths such as the myth of Linus and the legend of the Argus. Culminating in a bizarre, musical dance-influenced version of *The Iliad* complete with a full-scale battle of little green army men, this play is wild, silly, and a complete blast for audiences of all ages.
