

Wyrd Sisters

By Terry Pratchett

Adapted by Stephen Briggs

AUDITION REQUIREMENTS

Imagine **Shakespeare's *Macbeth***, then infuse it with Terry Pratchett's unique brand of wit and a healthy dose of chaos – that's what you get when "*the knob comes off*." All the classic ingredients are here: a villainous duke and duchess, the chilling ghost of a murdered king, hapless soldiers, flamboyant strolling players, and a realm in dire straits. But the true heroes, the ones who stand between the kingdom and destruction, are a coven of witches unlike any other: the formidable and self-assured **Granny Weatherwax**, the earthy and unrefined **Nanny Ogg**, and the sweet, bunny-loving, occult-jewelry-wearing **Magrat Garlick**.
